Prescription Drugs

In order for prescription medication to be administered at school:

The parent or guardian must provide written permission for school personnel to administer medication and consent for the nurse to obtain an order from the prescribing physician. The forms are in the health office.

The medication must be brought by parent or guardian to the school office in the prescription container as put up by the pharmacist. Written directions from the physician or pharmacist must state the name of the patient, the name of the medicine, the dosage and the time it is to be given.

Do not give medication to the student to bring into the school. This is against district policy and is a safety issue for the students.

In the case of medication for diagnosed anaphylaxis and breathing disorders requiring a hand held device, the parent or guardian must provide written permission for the student to self-administer and carry the medication. In these cases, the student's name on the prescription label is sufficient for the physician's recommendations. If epipen availability is ordered by a physician it is recommended that 2 epipens are available as, in the case of severe allergic reactions, 2 doses are commonly needed. These medications can also be kept in the health office with other locked medications depending on the age, maturity level of the student, and doctor's order.

Tel (520) 450-4450

Dear Parent and/or Guardian,

This letter is being sent to inform you that, as a part of our ongoing efforts to keep drugs off our school campus, drug dogs will periodically be brought onto the campus throughout the school year. Villa Oasis is a drug free campus and implements a zero-tolerance policy.

The Villa Oasis will be making use of the K-9 units of several local law enforcement agencies including the Eloy Police Department. This will be an ongoing event as the students need to know that we are making this a priority. I am sure you agree that a drug free campus is a safer campus and allows for greater educational opportunities. Please be assured that ALL necessary precautions will be taken to maintain the safety of all students during this process.

While scheduled times will not be provided (for obvious reasons), your ongoing efforts to assist us in this endeavor will be greatly appreciated. You as parents/guardians are the first line of defense. You can assist by discussing with your kids the negative results of drug use including E-Cigarettes and Vape pens. Let them know that you do care. Make sure they are aware that drug dogs will react to residue in hair, clothing, backpacks, personal items as well as contact with skin. Again, talking to your child may make all the difference in the world.

If you have any questions or concerns regarding this issue, please do not hesitate to contact me at the Villa Oasis (520) 450-4450. Again, please understand that we are making every attempt to keep our school safe and drug free in order to promote the education of all our students.

Sincerely,

Mr. Ector Rodriguez
Principal

VILLA OASIS EXPECTATIONS AGREEMENT

ACADEMIC EXPECTATIONS

At the time of the intake interview, enrollment in the Villa Oasis School is open to all students who state they want to attend school at the Villa and that they want to turn their school situation into a positive, productive direction (which means passing and earning credit).

Repeated failure to complete classroom and homework assignments, and repeated disregard for the academic testing will be viewed as insubordination and in direct defiance of the intent of the Villa Oasis Interscholastic Center for Education program.

Any student failing all academic subjects during a 9-week grading period will be placed on academic probation and receive a warning. Continued failure during the following block will result in an academic hearing for review with a possible recommendation for transfer to another educational program.

ATTENDANCE EXPECTATIONS

Students are expected to be in school every day. Parents must see to it that the student attends daily. More than five absences in a given quarter (60 contact hours are required) will result in the loss of credit for that quarter.

ABSENCES WHICH RESULT IN LESS THAN 60 CONTACT HOURS (more than five absences per quarter) IN THE CLASSROOM WILL RESULT IN LOSS OF CLASS CREDIT unless the student makes up the missed time, hour for hour.

DRESS CODE

There is a dress code at VOICE. A student's appearance must not disrupt the school or classroom activities. Bandanas, hair nets, chains and long belts hanging are not to be worn or brought on campus. All students, male and female alike attending VOICE will adhere to the following dress code:

- ❖ Clothing will have no writing or pictures indicating drugs or alcohol, sex, weapons, violence, and no personalized writing or pictures added to any clothing.
- ❖ Pants will not drag inappropriately below the waistline.
- ❖ Pajamas and house slippers are not allowed.
- ❖ Underwear will be covered and will not be visible. **Net shirts, half-blouses, short shorts, mini-skirts, spaghetti-strap blouses, tank tops, and sheer clothing are not appropriate for school attendance.** If a student is dress coded, the student will be asked to change their clothing with school provided wear or suitable clothing from home.

No music devices during class time.

Cell phones must be turned off; calls may be placed and received through the office only.

Students are not permitted to have in their possession vape pens and/or e-cigarette devices on campus, on school transportation, or at any school sponsored event.

POLICY FOR FIGHT PARTICIPATION

All participants identified as participating in a fight by watching, yelling, coaxing, or in any way encouraging students to engage in a conflict will be disciplined through the administration office of the school and face suspension from the academic school program. Students participating in fights may face up to ten days of Out of School Suspension.

Any student who ignores the directions of any staff person to disperse from the scene of fight or conflict will be disciplined through the administration office of the school.

STUDENT CONDUCT ON SCHOOL BUSES

Students are required to conduct themselves in the bus prior to boarding the bus, and subsequent to leaving the bus in a manner consistent with established standards for classroom behavior.

When a student fails to practice proper conduct the bus driver will inform the principal of the misconduct which may then be brought to the attention of the parents.

Students who become serious disciplinary problems related to school transportation may have their riding privileges suspended. In such cases, the parents of the students involved become responsible for seeing that their children get to and from school safely.

Students riding on special-activity buses are under the direct supervision of the bus driver in cooperation with sponsor(s). Students who do not conduct themselves properly will be denied the privilege of riding on special-activity buses.

Dear Parents and Students:

This year the counseling program at the Villa Oasis High School is sponsoring several prevention workshops and educational seminars for Villa Oasis students. Some of the education will be provided by Horizon Human Services, Military Recruitment/Education, Pinal County Division of Public Health, Central Arizona College, and other local community agencies. It is our goal to provide your son/daughter with the knowledge to lead a successful and healthy life both socially and academically. The workshops and presentations will be geared towards our high school students' needs. Some of the topics will include substance/alcohol abuse, social interactions including conflict resolution, self esteem, dating, sexually transmitted diseases including HIV/AIDS, life skills, healthy relationships, abstinence, prevention, parenting, cultural awareness, future goals/careers and college, and college planning.

We strongly encourage all students to participate in the on-campus presentations as part of their education at the Villa Oasis High School. Although some of the material presented may be graphic in nature, it is information that your son/daughter will need to lead a healthy and productive life.

If you have any questions regarding any of the presentations on campus, please do not hesitate to contact our licensed, school-based counselor, Andrea Arvin, at (520)450-4450 or (520)450-4464. Thank you.
