Increases are not automatic. The Principal may recommend withholding an increase for individual teacher(s) to the County School Superintendent, who will make the final determination. Returning professionals may receive an increase for the 2018-2019 school year IF they were employed by the district prior to January 1, 2018.

C. Additional Terms

- 1 Proposition 301 (Classroom Site Fund monies) provide additional funds which are added to contracts by addendum once the amounts are determined and earned
- 2 Compensatory funds for teacher evaluation (ARS 15-952) are in addition to the schedule
- 3 The district pays one hundred per cent (100%) of the employee's health insurance premium

D. Professional Growth

- 1 Professional staff will be expected and required to continue professional growth development activities
- 2 The district is committed to providing a quality staff development program and requires teachers to develop, in consultation with the Principal, an individual growth plan. The district will employ and retain only high quality teachers
- 3 Graduate hours, degrees, columns and steps distinguished in "traditional" teacher salary programs are replaced by the "Fast Track Professional Salary Program"
- 4 Teachers are encouraged to work toward obtaining graduate degrees as part of their professional development growth plan and re-certification requirements
- 5 Teachers are expected to participate in quality professional development programs offered by or approved by the district, or enroll in graduate courses at accredited universities or colleges
- 6 Teachers are responsible for maintaining their portfolio for re-certification purposes
